## **NIAGARA'S SHADOW IS SELECTED FOR PARTICIPATION IN THE 2022 GREEN PRODUCT AWARDS**

**FLOWER MOUND, TX – October 1, 2021** – Niagara's newest pro series product line, the Shadow™ 0.8 GPF is an official part of the Green Product Award 2022 Pre-Selection.

The Green Product Award acknowledges products, services from established companies, start-ups for their excellence in sustainability, design, and innovation. The Award has been making 'best practice' examples accessible to a broad public on an international level from a pool of 1500 submission entries yearly since 2013.

Shadow™ 0.8 GPF has entered the official Pre-Selection of the Green Product Award 2022 in the category Interior & Lifestyle. "With Shadow™ 0.8 GPF the team of Niagara created something special, what really earns the name Green Product, that's for sure" Nils Bader, Award Initiator.

Nominees will be announced on December 13<sup>th</sup>, 2021. Once announced, public voting will be open to any individual across the world. Stay tuned and check out our achievement so far on the Green Product Award website:

### **About Niagara**

Founded in 1977 and headquartered in Flower Mound, TX, Niagara is leading the water revolution by saving the world's water through everyday ingenuity without sacrificing performance. Recognized with several national EPA WaterSense Excellence and other industry awards for its Stealth Technology and superiority in reducing water waste, Niagara was one of the first toilet manufacturers to re-engineer the flush for a high-power, low-maintenance, no-waste toilet with Stealth Technology that saves customers money by reducing water while maintaining high performance. Niagara supports the U.S. and international markets. For more information, visit [niagaracorp.com](http://niagaracorp.com) or call 888-733-0197.

### **About the Green Product Awards**

Since 2013, the international Green Product Award has been honoring products and services that stand out in terms of design, innovation, and sustainability. The aim of the prize is to give good examples to the public and to provide feedback and networking opportunities for the participants. The award presents 12 categories of Architecture & Tiny Houses, Building Components, Circular Materials, Consumer Goods, Fashion, Handicraft, Interior & Lifestyle, Kids, Kitchen, Mobility, Sport and Workspace.
